He is backed by the entire administration of Oklahoma and has the support of Champ Clark the next speaker.

Mr. Spencer, who is 70 years old, yet hearty, was born in Henry County, Virginia, and came to Missouri in 1860 with his parents. He lived first in Lincoln County and later in St. Charles county. In 1866, he and Miss Maggie J. Steele of Mexico, Mo., were married. They lived in Mexico twenty-five years.

In 1871, Mr. Spencer was appointed a Penitentiary guard by Governor B. Gratz Brown. Afterwards he moved to Audrain county and engaged in planting and stock raising.

During the second presidential campaign of William Jennings Bryan, Mr. Spencer campaigned among the five civilized tribes and raised thousands of dollars for the Democratic cause.

The endorsements given his candidacy include caucuses resolutions by Democratic Senators and Representatives and caucuses of Oklahoma, the support of Governor Bruce and former Governor Haskell, other State officers of Oklahoma and many business and professional men of his town and State.

The support of Champ Clark was promised him last December, and in a letter to Mr. Spencer Mr. Clark declared he believed he could get this office.

VERIFY IT

The Proof is in Mexico Almost at Your Door.

The public statement of a Mexico citizen is in itself strong proof for Mexico people, but confirmation strengthens the evidence.

Here is a Mexico citizen who testifies years ago that Don's Kidney Pills relieved his kidney and now states the cure was permanent. Can any sufferer from kidney ailments better proof? You can investigate. The case is right at home.

Mrs. J. H. Kemp, about St. Mexico, Mo., says: "I had a pain and lameness in my back for some time and my kidneys were badly disordered. The remedy I tried did not help me and I was at a loss to know how to get relief. When Doan's Kidney Pills were recommended to me, I procured a box at the Buckner Drug Co., and found them to be just the remedy I needed. In a short time it was entirely free from kidney complaint."

On November 11, 1908, Mrs. Kemp confirmed the above statement which was given in May, 1906, and added: "I have had no return attack of kidney trouble since Doan's Kidney Pills cured me."

For sale by all dealers. Price 50 cents. Foster-McMillan Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.
